
Making Life Easier For Your Patients

Introducing Quest Diagnostics Automated Appointment Scheduling For Patients

Say goodbye to long lines.

Your life is busy and long lines are frustrating. Using Quest Diagnostics new appointment scheduling service, you can pick the location and day and time of your next Patient Service Center appointment.

We've added the benefit of convenience to the same high quality service you've come to expect from Quest Diagnostics. We're helping to put YOU in control of your schedule.

Scheduling your appointment is quick and easy using the Quest Diagnostics web site or interactive voice response system.

Schedule your next appointment today

- Logon to questdiagnostics.com/appointment
or
- Call 1-888-277-8772 (24 hours a day, 7 days a week)

When scheduling your appointment, consider the following convenience guidelines to further reduce wait times:

- Afternoon or after-work appointment if no fasting is required
- Mid-afternoon for a child's appointment
