

Important Notice to Coventry Health Care of Florida Participating providers through Health First Network Agreement

Coventry Health Care of Florida (CHC) and Health First Network (HFN) mutually agreed to terminate the existing Agreement for commercial products effective December 31, 2011. A new agreement between CHC and HFN is effective January 1, 2012.

To help you understand how these important changes impact your office, we included Frequently Asked Questions (FAQ's) below:

1. What does this mean to HFN providers participating in CHC Commercial products?

- Existing participating status will not change.
- HFN will continue to credential providers for Commercial products.
- Providers will have direct access to CHC network management staff including local or regional provider relations representatives. If you have questions or need assistance, please call 800-470-3555, select option 1, then select option 3.
- Providers will have access to the CHC provider website, www.directprovider.com. This website will allow you to verify eligibility, benefits, check claim status, and provides access to other important features and information. We encourage you to visit www.directprovider.com to learn more about this service and enroll without delay. Please follow the online instructions for enrolling in this service.
- Providers will have direct access to CHC's Customer Service Operations (CSO). Your office may contact CSO for claim or member related questions by calling (800) 441-5501.

2. Where do providers file claims for medical services rendered to commercial members?

- All claims for medical services rendered to commercial members on or after January 1, 2012 must be submitted for payment to:

Coventry Health Care
P. O. Box 7807
London, KY 40742

Electronic claim submission: Emdeon (WebMD/Envoy) Payor ID: 25133

- Claims received by Med3000 with dates of service rendered on or after January 1, 2012 will be returned to the provider via the electronic process for electronic submissions, or by regular mail for re-filing to CHC for paper claims. Med3000 will not transmit or forward your claims to CHC for processing.
- Providers may authorize electronic fund transfers for electronic claim payment of claims by submitting a completed Electronic Fund Transfer Authorization Form. Providers may also contact EDI Help Desk for additional information by calling 866-883-7623. If you choose to receive payment through EFT, the paper remittance advices will no longer be generated.

3. How do providers submit Requests for Prior Authorizations for commercial members?

- All requests for authorizations must be submitted to CHC via fax: (800) 528-2705
Providers may also contact CHC's authorization department at: (800) 447-3725
Please refer to the enclosed Prior Authorization Quick Guide for further information.
- PCPs will continue to refer members to network physicians for specialty care. An authorization is not required for a PCP to refer a member to a participating specialist.

4. I am a specialist physician with members under active treatment. What do I need to do to ensure a seamless transition for patients under my care?

- Review the enclosed authorization guidelines to ensure you have an appropriate CHC issued authorization on file. This is important to ensure proper payment of claims. Please fax your requests for authorization to: (800) 528-2705
- If your office currently has active HFN or Med3000 authorizations on file, please submit this information to the CHC authorization department using the enclosed Medical Prior Authorization Request form. Complete and fax the authorization request to: (800) 929-5842. Please include the authorization number issued by HFN or Med3000 in the Clinical information section.

5. Where do I locate the forms or guides referenced in this document?

- The most up to date forms are located on the provider portal at www.directprovider.com.
- Electronic Fund Transfer Authorization form is included with this correspondence.
- Medical Prior Authorization Request form is included with this correspondence.
- Prior Authorization Quick Guide is included with this correspondence. You may also access additional documents and information at www.directprovider.com.

6. What does this mean for Florida Healthy Kids providers?

- Existing participating status will not change for Florida Healthy Kids Products.
- All physician claims for physician services rendered to Healthy Kids enrolled under CHC will continue to be submitted to and processed by Med3000 on behalf of HFN.
- HFN will continue to credential providers on behalf of CHC for the Florida Healthy Kids product.
- Authorization requirements will not change.

7. What is HFN's role under the new Agreement terms?

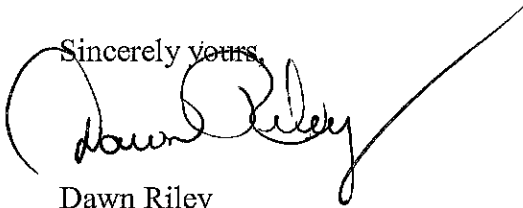

- Commercial Claims for dates of service on or after January 1, 2012, will no longer be processed through Med3000. Claims must be submitted to CHC for payment. HFN, through its contracted vendor, Med3000, will continue processing and paying commercial claims for physician services rendered on or before December 31, 2011.
- Authorizations for Commercial members will no longer be issued by HFN on or after January 1, 2012. All authorizations must be requested through CHC.

- HFN will continue contracting and credentialing providers for Commercial and Healthy Kids products.
- HFN and CHC may conduct joint or individual provider education, provider mailings, messaging, provider visits, or other initiatives.
- HFN will continue to support CHC with HEDIS, provider audits, and other important initiatives.

CHC and HFN look forward to continuing our relationship and serving your needs. We appreciate your continued support of our business relationship and your demonstrated support for members in the communities we serve. Please reach out to either CHC or HNF if you have any additional questions.

Thank you for your attention to this important matter.

Sincerely yours,
